

Cornerstone Program

The Cornerstone Program offers the unique opportunity to underwrite the administrative and fundraising costs of Pikes Peak United Way, allowing donors to contribute to their most cherished causes without the burden of a fee. Because of our Cornerstone partners, Pikes Peak United Way is able to say: **100% of the donations we receive go directly back into the community to help those in need.**

Cornerstone Partners advocate for Pikes Peak United Way. We invite you to join them.
