	are those based on shared community aspirations and objectives	-
	developed by citizens, not just "expert" opinions and data alone. With	-
	that in mind, Pikes Peak United Way continues to listen to the	-

Additional information on organizations mission

Pikes Peak United Way

Founded in 1922, Pikes Peak United Way is dedicated to advancing the

common good by not only providing a safety net for basic services, but

also preventing tomorrow's problems by addressing issues today.

Form 990, Part III, Line 1, Description of Organization Mission:

Pikes Peak United Way recruits the individuals and organizations throughout the community who bring the passion, expertise and resources necessary to affect positive and long-lasting change. By placing value on both expert as well as public knowledge, we focus our efforts on three key areas: education, income, and health. These are the building blocks of a good quality of life and the pathways to opportunity. A good education paves the way to career. An adequate income helps ensure healthy families. Good health helps children succeed at school and adults at work. Remove any of these three key elements, and the others collapse. Put them together, and individuals, families, and our community have a strong foundation for success

Form 990, Part III, Line 4a, Program Service Accomplishments: agencies, private non-profits, as well as faith and community-based organizations.

frustrations. Last year, Pikes Peak United Way 2-1-1 pr	ovided life
changing information and referrals to nearly 32,000 indi	viduals and
families in crisis.	

Form 990, Part III, Line 4b, Program Service Accomplishments: meet consumer needs in a more streamlined manner, and obtain information to guide future planning. The CMS is used to generate HUD required reports, such as the annual homeless Point in Time and Housing Inventory Chart reports. It is also used to generate required agency-specific and community wide reports such as the Annual Performance Reports required for each program, the Annual Homeless Assessment Report, and the System Performance Measures report.

Continuum of Care: The U.S. Department of Housing and Urban Development (HUD) requires communities receiving HUD Continuum of Care (COC) funding to have a CoC program. The COC program administers the collaborative funding and planning approach that helps communities plan for and provide a full range of emergency, transitional and permanent housing and other service resources to address the various needs of persons experiencing homelessness. The main functions of the CoC are: To develop a long-term strategic plan and manage a year-round planning effort that addresses the identified needs of individuals and households experiencing homelessness; the availability and accessibility of existing housing and services; and the opportunities for linkages with mainstream housing and service resources. To prepare an application for funds that are made available through a national competition announced each year in HUD's Notice of Funding Availability (known as the HUD Coc NOFA). To oversee the administration of the local

Homeless Management Information System (HMIS) implementati	on. To
oversee the Coordinated Entry (CE) process to assess the n	eeds of
individuals experiencing homelessness and match them to ap	propriate
housing interventions.	

Coordinated Entry: The Coordinated Entry (CE) process was designed to implement the Pikes Peak Continuum of Care's vision to "have a durable system of places and programs to ensure that all people facing homelessness have access to housing and the supportive services to sustain their quality of life." CE provides timely access to appropriate resources through a centralized, equitable, person-centered process that ensures those who are most vulnerable are being housed while preserving choice, dignity, and transparency.

Form 990, Part III, Line 4c, Program Service Accomplishments: focusing our efforts on three key areas: education, income and health. These are building blocks of a good quality of life and the pathways to opportunity. A good education paves the way to a career. An adequate income helps ensure healthy families. Good health helps children succeed at school and adults at work. Remove any of these three key elements, and the others collapse. Put them together, and individuals and families and our community as a whole have a strong foundation for success. Special emphasis will be placed on youth success and family stability to ensure that children and families in our region have opportunities for success.

Form 990, Part III, Line 4d, Other Program Services:

Community Investment:

In order to make significant change in a community many organizations must work together to support those who are in need. Through the Community Investment/Fund Allocations process, Pikes Peak United Way worked with and provided funding to 28 other non-profit agencies that provide services in the areas of education, income, and health. High level volunteers were gathered to perform an annual review of the funded partners and recommendations regarding the agencies and/or programs viability and distribution of funds were presented to the Pikes Peak United Way Board of Trustees.

Expenses \$ 2,057,080. including grants of \$ 2,057,080. Revenue \$ 0.

Dolly Parton's Imagination Library:

Dolly Parton's Imagination Library promotes early literacy in the home by mailing free, age-appropriate books each month to each registered child, birth to 5 years old. Pikes Peak United Way partners with the Dollywood Foundation to bring this program to El Paso and Teller Counties and is responsible for registration and enrollment as well as funding the cost of the books, postage, and mailing within our region. In 2016, over 74,000 books were sent to children in the Pikes Peak region to begin their home libraries which helps to ensure that children enter kindergarten with necessary early literacy skills and an eagerness to learn.

The Organization took the following into consideration when comparing each employee: the actual salary of each employee vs. the salary shown within the survey, the total amount of time the staff person has been on staff, and then the overall performance and impact of the employee.
