Special Event: Third Annual Computer Distribution to Mitchell High School Students

Colorado Springs, CO, Tuesday, March 19, 2019 – Pikes Peak United Way is thrilled to provide computers to students and their families at our third annual computer distribution! With grant funds from T. Rowe Price, Pikes Peak United Way will distribute 75 laptops purchased from PCs for People to Mitchell High School students at a special event on Tuesday, March 19, 2019 at 1:45pm.

This distribution is part of our Colorado Springs Promise program - a partnership between Pikes Peak United Way, UCCS and Colorado Springs School District 11 to inspire and students for a better future and life after high school. Together, we are supporting students by promoting family engagement and bringing community champions into the classroom to ensure students have the tools they need to achieve adult success.
