4a (Code:) (Expenses \$ 340,889. including grants of \$) (Revenue \$) 2-1-1 Information and Referral

2-1-1 is a free, bilingual, easy-to-remember three-digit phone number that serves residents of 12 counties (Alamosa, Conejos, Costilla, Chaffee, Cheyenne, El Paso, Lincoln, Mineral, Park, Rio Grande, Saguache, and Teller), helping those in need navigate the complex and ever-growing maze of health and human service providers in their community.

At present, trained information specialists staff the hotline from 8a.m. to 5p.m. Monday through Friday utilizing a comprehensive database of over 2,500 resources including federal, state, and local government

4b (Code:) (Expenses \$ 597,812. including grants of \$) (Revenue \$)

Community Impact: If you ask people in the Pikes Peak region about the state of our community and its goals, you'll hear a wide variety of opinions on what they are and what they should be. The most successful community agendas are those based on shared community aspirations and objectives developed by citizens, not just "expert" opinions and data alone. With that in mind, Pikes Peak United Way continues to listen to the community to understand the vision for our region, and what obstacles we face to achieving those ambitions. Placing value on both expert as well as public knowledge, we will be focusing our efforts on three key areas: education, income and health. These are building blocks of a good quality of life and the pathways to opportunity. A good education paves the way to a career. An adequate income helps

4c (Code:) (Expenses \$ 2,208,749. including grants of \$ 2,208,749.) (Revenue \$)

Community Investment: In order to make significant change in a community many organizations must work together to support those who are in need. Through the Community Investment/Fund Allocations process, Pikes Peak United Way worked with and provided funding to 28 other non-profit agencies that provide services in the areas of education, income, and health. High level volunteers were gathered to perform an annual review of the funded partners and recommendations regarding the agencies and/or programs viability and distribution of funds were presented to the Pikes Peak United Way Board of Trustees.

Additional information on organizations mission

Founded in 1922, Pikes Peak United Way is dedicated to advancing the common good by not only providing a safety net for basic services, but also preventing tomorrow's problems by addressing issues today.

Form 990, Part III, Line 1, Description of Organization Mission:

Pikes Peak United Way recruits the individuals and organizations throughout the community who bring the passion, expertise and resources necessary to affect positive and long-lasting change. By placing value on both expert as well as public knowledge, we focus our efforts on three key areas: education, income, and health. These are the building blocks of a good quality of life and the pathways to opportunity. A good education paves the way to career. An adequate income helps ensure healthy families. Good health helps children succeed at school and adults at work. Remove any of these three key elements, and the others collapse. Put them together, and individuals, families, and our community have a strong foundation for success

Colorado Springs Promise: The mission of Colorado Springs Promise is to equip and inspire students to strive for a better future and life after high school by promoting education, family involvement, workforce engagement, and community support. With the right path and opportunity, students can maximize their full potential. If we want to create a better life for all, we must focus more support through programs, partnerships and volunteers on historically marginalized or excluded groups and the under-resourced communities in which they often live. In this effort, in 2019, Colorado Springs Promise has provided 267 computers to students without computers in the home, as well as access to resources for low cost internet. We have provided a family dinner with resources and education to 537 students and family members. We have provided food through a bi-weekly food distribution to 1406 families. We have supported students through providing resources and equipment for sports teams, holiday events, and college and career readiness classes. We know that childhood is when trajectories are set. They can be changed later but it becomes much more difficult. We strive to meet children and families where they are, provide support and inspiration, and help them shift their trajectories toward a path of great success.
